c) When did you resign.....

Will you have any boilers for testing?.....
If yes, how many and of what type?.....

Can you help with construction and maintenance at the club?.....

Can you help with the running of society events?.....

What are your interests?.....
.....

I understand that my membership details may be kept on a computerised database within the 'Society' and will not be made available to any person or organisation outside the 'Society'.

I the undersigned, on being enrolled as a member of the above society agree to abide by the societies Constitution and rules.

Signed.....Date

Junior membership fees for 2017 are £20.00

'The Blower' (our newsletter) is sent by email, or a printed version is available from the clubhouse

The Blower can be sent by post BUT a £5 surcharge to cover postage applies. Tick box if required.

To the Parent or Guardian of junior applicant named above: -

Because of insurance regulations, the minimum age for acceptance of a junior into the society is 14 years.

Below this age a junior may be accepted at the discretion of the committee but a parent or guardian must also join the society and accompany the junior at all times that they are on the club site.

The society will not accept any responsibility for juniors travelling to and from, or outside of, the club site.

Junior Memberships fees for 2017 are £20.00

The Grimsby and Cleethorpes Model Engineering Society tries to help junior members to develop an interest in and enjoyment of model engineering. To this end junior members will be encouraged to take part in the general maintenance and running of the club site at Waltham Windmill, but this is not compulsory.

The providing of miniature train rides for the public is one of the main sources of income for the society and requires several members to volunteer to provide locomotives and carry out the duties required for the running of the trains. Junior members will be instructed in general site and track maintenance and the preparation of engines and coaching stock for the provision of rides. Each junior member will be provided with a log book in which will be listed the various tasks to be carried out. Junior members will be given the opportunity drive steam and electric locomotives and operate various machine tools under instruction if supervision is available. The junior member will be instructed in each task and when sufficiently competent will be allowed to perform the tasks with minimal supervision. The logbook will be signed up when instruction, and competency checking have been completed. This will allow other members to assess which tasks the junior member can carry out and the level of supervision required. There are number of tasks that the junior member will not be able to carry until reaching the age of 16. These tasks will include handling money, operating machinery unsupervised and driving engines that are hauling trains carrying the general public.

All junior members will require some level of supervision and unfortunately if there are not enough senior members to provide adequate supervision the junior member will not be able to participate in the sites activities at that time. It should be noted that some members would not wish to take on the role of supervisor.

The junior members good conduct on site is extremely important from the point of safety and good relations with the visiting public and will be one of the main factors in determining the level of supervision required.

For and on behalf of the Committee of the
Grimsby and Cleethorpes Model Engineering Society

Mr D K Smith Secretary

This section to be completed by parent/guardian

This form applies to junior membership applications where the parent or guardian is not a member of the Society, or where the parent or guardian does attend the club activities at all times that the child is present. The Society is obliged to determine that lawful consent has been given for the child to participate in activities of the Society. A properly completed and signed copy of this form is required for all Junior Membership applications. If the parent or guardian does not agree with the statements below, then the child shall not be eligible for membership as an independent member. However in such circumstances the child may still participate if the parent or guardian obtains a family membership and attends at all times with the child. Please be aware that, for insurance reasons, no person appointed by the parent or guardian may accompany child on Society activities unless that person is also a member.

Please be aware that Junior Membership is only granted as a probationary membership for the first twelve months.

SIGNATORY'S STATUS (* PLEASE DELETE AS APPROPRIATE) PARENT / GUARDIAN / CARER*	
SURNAME OF SIGNATORY	TITLE (MR/MRS/MISS/MS ETC.)
